Which holiday do you like best? Many people will answer "Christmas." If you love this wonderful holiday, you may want to visit the town "Santa Claus." In Santa Claus, you can celebrate Christmas 365 days a year.

Santa Claus is a town in Indiana, America. The town is famous for having the world's only post office with the name "Santa Claus." The town was set up in 1854, and it was known as "Santa Fe." In 1856, when the town was working to set up a post office, the United States Postal Service refused the name because there was already a town called Santa Fe. Several town meetings were held, and the name Santa Claus was chosen in the end. Because of this popular name, the post office gets thousands of letters to Santa Claus from all over the world each year. A group of volunteers help to make sure that each child gets a reply from Santa Claus. This tradition has started since 1914.

They have made many kids' dreams come true.  
Though every day is Christmas Day in Santa Claus, it is full of the most holiday fun in December. If you want to enjoy the fun, visit the town in December.
