五、閱讀測驗 (16%) 每題 2 分
(一)

Freeters are people between the age 15 and 34. They don't have to work or only work part-time after they leave their school. Many freeters live with their parents and don't have to worry about making enough money to buy food, clothes, or their own house. Among them, some freeters choose not to work after high school or college though there are a few jobs they can find easily. Some make money by working at convenience stores, supermarkets, restaurants, or other low-paid jobs. With the low income, they find it hard to start a family.

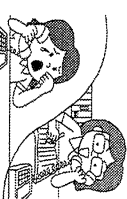

college 大學 income 收入
