2.

Andrew has a computer company. He makes a lot of money, but he never wastes anything. Besides, he often helps people in need. He came from a poor family. When he was a child, his parents worked hard but made little money. Andrew and his sister ate little each meal. There was not enough food for his family. After Andrew finished junior high school, he gave up his study and worked at a small restaurant. Three years later, he luckily got a job in a car factory. The boss was very kind and paid him a good salary. Before he had his own business, he worked there for about fifteen years. When he had enough money, he started the computer company with his friends. Now he is able to provide his family with a better life, and he and his parents all live together. Because he remembers the difficult time in the past, he teaches his children not to waste and often donates money to help people when they need help.
