If you can measure a man's power in weight, how much does two men's power weigh? For Daniel and Jason, their power may weigh 35,000 kilograms or more. Daniel and Jason are very young and both of them love the earth a lot. They came up with program "Rethink" and set up a fan page on the Net to ask people to join beach-cleaning plans. Their first beach-cleaning activity began in June, 2013; it was a big success. From then on, more and more people came to understand the program. If you visit their fan page, you will want to join their meaningful activities, too. They held more than sixty-five activities and collected more than 35,000 kilograms of trash from 2013 to 2017. Knowing the importance of going green, Daniel and Jason also went to many schools to teach students the ways to keep our earth healthy and clean. To them, doing beach-cleaning is very important. They once said, "Every year, people throw over 600 million tons of trash in the sea. Where does all of the trash go? Well, most of the trash becomes the food for fish, and the fish go to people's stomachs in the end."
 They will never end their work of saving the earth in the future. For them, beach-cleaning is everyone's business and doing beach-cleaning can help save the earth and people as well.

5. What did Daniel and Jason do first to make people know their beach-cleaning plan?
 (A) They set up a fan page.
 (B) They threw out the trash in the sea.
 (C) They had a TV program.
 (D) They caught a lot of fish.
6. What is the main idea of this reading?
 (A) If you have a dream, go make it come true.
 (B) Doing beach-cleaning is everyone's business.
 (C) It's important to lose weight in healthy ways.
 (D) Never feed the sea animals with trash.
7. What CAN'T we know from the reading?
 (A) When "Rethink" started.
 (B) How many activities "Rethink" held.
 (C) How many people joined "Rethink."
 (D) Who came up with the idea of "Rethink."
